

Don Bibby

Property Officer, Glendale Gateway Trust

Originally from Lancashire, I have resided in North Northumberland since 2016 and have been actively part of the community since then.

I have been continually involved in voluntary work with several charities, and most recently been a part of the Heatherslaw Light Railway Team.

As a veteran of the Royal Air Force and many years employed in the middle east, I have gained many skills in Engineering, Administration, Management and practical Building Coordination.

I have been blessed with two Children and four grandchildren. To relax, I enjoy walking the Cheviots, music and Motorcycles.

I am very privileged to be part of the team and have enjoyed the role of Property Officer since October 2024.
