

Cindy Crossman Property Officer – Glendale Gateway Trust

Originally from the west of Northumberland, I moved to Wooler 30 years ago when my parents bought The Red Lion pub. My face may seem familiar to many Wooler residents from running my own takeaway business 'Cindy & Millies' with my Mum from 2006 to 2023. As well as Property Officer for The Glendale Gateway Trust, I am a Watch Manager with the Northumberland Fire Service. I'm very lucky to now have two jobs that I thoroughly enjoy. My other interests include photography – which I am currently doing a degree in. I also love to spend time with horses, and I am a dog and cat lover too. I am really enjoying getting to grips with my role as Property Officer and I look forward to helping our tenants and getting more involved in the community.
